All Defendants, with the consent of counsel for Plaintiffs, hereby move for an extension of time in which to respond to Plaintiffs' Motion for Class Certification, ECF No. 5, until August 7, 2017, which is 15 days (plus weekend days) after the due date for responses to the Complaint. Plaintiffs' class certification motion, along with the Complaint in this action, was served on

Defendants on or about June 9, 2017. By agreement of counsel, this deadline to answer or otherwise respond was extended 21 days from the original due date, that is, until July 21, 2017.

Because of the length of the Complaint (98 pages and 428 paragraphs) and of the class certification motion (135 pages, including attachments), Defendants need additional time in which to prepare the response to the class certification motion. As indicated above, Susan Dunn, one of the counsel for Plaintiffs, has graciously consented to this extension request.

Defendants accordingly ask that the Court extend the time for response to the class certification motion until August 7, 2017.

Respectfully submitted,

DAVIDSON & LINDEMANN, P.A.
